

**2015 PRODUCT CATALOG**

# THE DIFFERENCE IS

# DEAN.

Dean Guitars – “Road Tested – Artist Approved.”

Welcome to our 2015 catalog of products. We are proud to introduce what we believe to be among our finest line-up of products ever - but words and pictures only tell part of the story.

Dean is more than a brand – it’s a lifestyle. Our players embrace their inner rebel, and for them, music isn’t just something...it’s everything.

**Our mission:** “To design innovative stringed instruments with an “edge & attitude” that appeal to today’s musician. We embrace our role as a leader in Rock & Metal while offering a diverse product line serving players of all musical styles”.

From beginners, to hard working players on the rise, to accomplished professionals... Dean delivers performance, reliability, quality and value. Indeed, Dean Guitars is, “road tested and artist approved.”

Isn't it time you got your wings?

## RAZORBOLT

"As a kid, it was always my dream to be with Dean Guitars."

Photo by Chad Lee Photography  
www.chadleephotography.com

*Dimebag*

Generations of players around the world are influenced by the sound and music of Darrell "Dimebag" Abbott... and he did it with a Dean in his hands.

From Dime's first Dean, that became the iconic **DEAN FROM HELL**... to our 2015 USA Dime Razorbolt, which is based on Dime's original drawings... **the legend lives on.**

At Dean Headquarters is perhaps the first Cadillac the company ever made. The serial number is 80 2563. We purchased this guitar from the original owner who bought it direct from the Dean Namm booth in 1980. This guitar paved the way for many other Cadillacs which Dean Guitars has produced over the last 35 years. We have recreated this iconic guitar for you! Limited to 50 pieces worldwide, this Dean Cadillac can be your own piece of Dean history.

The AXS series guitars from Dean are your all access answer for a great acoustic! Playability, great sound, and killer looks, all in one series! Now three new mahogany acoustics, expanding on our popular AXS Mahogany Dreadnought.

**EXHIBITION ULTRA  
7 STRING**

We've taken the very best attributes of an electric guitar's feel and combined them with industry first electronics! The thin-body Dean Exhibition Ultra acoustic/electric guitars boast sleek and familiar playability, now with the capability to record on the go. The B-Band® USB output transforms your Dean Exhibition into the perfect solution for instantly capturing your creative spark no matter where it strikes. Simply connect to your iPad, smartphone, Android tablet or laptop. That's right... now, using your favorite software, you can record your song ideas anywhere... just plug in and PLAY!
