# THE WORLD'S FINEST GUITARS

**D**ean Guitars mission has always been to produce the finest guitars in the world. We want to help musicians be as passionate about making music as we are about creating instruments that are played on the most prestigious stages, and in the best studios, around the world. Since 1977, our iconic electric and acoustic guitars, basses and other musical instruments have been built to the highest standards in our industry.

We are proud to be a musician-owned and operated company. The Dean Guitars staff is comprised of hard working, knowledgeable musicians who demand excellence in the instruments that we design, build and play.

From beginners just starting the journey to part-time weekend players - from the hard working bands fighting for every dollar on tour to the accomplished professional who demands a high-performance six-string masterpiece - *we make a guitar that is perfect for you* and back it with reliability, quality and value. With a Dean guitar in your hand you become part of a world-wide family of musicians who have embraced the Dean Guitars legacy and are ready to continue the journey together. *Road Tested. Artist Approved. Dean Guitars 2013!*

# CHICAGO FLAME

## '77 NOSTALGIA

DEAN GUITARS' new Chicago Series ML, V & Z electric guitars pay homage to the original Dean guitars produced in Chicago and introduced at the 1977 NAMM show. These guitars embody the high quality materials and craftsmanship usually limited to custom instruments. Experience the classic feel of the Dean Guitars that started it all!

DEAN USA SERIES

# DEAN CUSTOM SHOP

## DEAN GUITARS CUSTOM SHOP: FEEL THE DIFFERENCE! THE DIFFERENCE IS DEAN.

Located within our 110,000 square foot worldwide headquarters in Tampa, Florida, the Dean USA Custom Shop is a state-of-the-art, woodworking facility designed for the sole purpose of producing the best looking and best playing guitars and basses in the world.

Anchoring the Dean custom shop, two Anderson CNC machines are used to sculpt every element of our impeccably detailed Artist, Custom and Standard series guitars. High-powered radio frequency gluers are utilized to ensure proper drying and maximum strength on any

glue joints. Using the highest quality woods available, our Dean USA guitars are hand-sanded and finished with precise, hand-cut, custom inlays. These guitars are designed for a lifetime of enjoyment and reliability.

Our devoted team of designers and craftsmen in the Dean USA Custom Shop ensure a quality that is quite potentially the best in the guitar industry. This quality has been embraced by some of the biggest names in the business as well as a legion of guitar enthusiasts around the world who demand and deserve the best guitar possible.

# EXHIBITION SERIES

The perfect acoustic for electric guitarists looking to add an acoustic element to their sound. A sleek, thin-bodied design feels as instantly familiar as your favorite electric guitar!

## RECORD ON THE SPOT!

The B-Band® USB output transforms your Dean acoustic/electric guitar into a "record on the spot" solution. Compatible with any Apple or Windows laptop, Smartphone (supporting USB) and, of course, the iPhone and iPad. This upgrade gives you plug and play capability into your favorite recording software with no external power needed. That's right... now you can record your songs and ideas remotely directly into an iPad/iPhone or laptop... simply plug in and go!

# ARTIST BASS SERIES

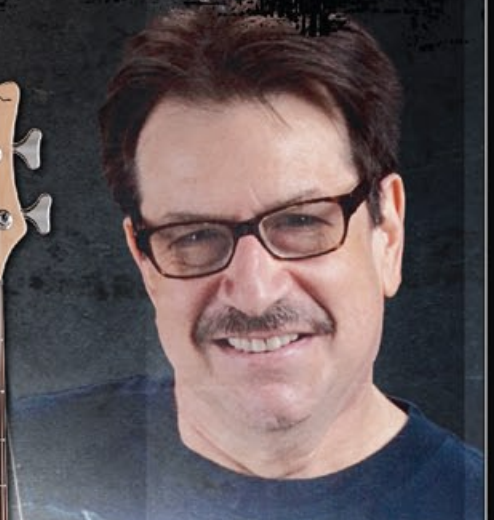

*John Entwistle*

## OWNER-APPROVED!

Dean Guitars takes a special pride in its bass guitars. After all, the owner/CEO of Dean Guitars, Elliott "Dean" Rubinson is a very active touring bassist. Dean's new offerings (as well as the entire line of bass guitars) are designed to live up to the expectations that the owner of his company has for his own basses.

*Jeff Berlin*
