

DIMEBAG CONCRETE SLEDGE

THE CONCRETE SLEDGE ML

pays homage to the famous guitar DIME played at "Monsters of Rock Moscow" in Russia on Sept 28th, 1991 and throughout his years in Pantera. Limited to 333 pcs worldwide, this stunning guitar features a 25-1/2" scale with double octave neck, reverse 6 in-line headstock, top mounted Floyd Rose 1000 Tremolo, Bill Lawrence L500XL bridge and USA DMT "DimeTime" neck pickups. Finished with Dime's custom "Concrete Sledge" graphics.

Included is a certificate of authenticity signed by Dime's brother, Vinnie Paul, and a Custom Concrete Sledge Deluxe Hardshell case.
